Subject: Updated AECA CABS Reporting Procedures

The AECA reporting portal is being updated and new CABS reporting procedures are being implemented effective with the October 19, 2026 reporting period (9/20/26 – 10/19/26). The CABS submissions for the October 19, 2026 period are due November 10, 2026.

The ATT wholesale sold demand will no longer be reported separately on the AECA CABS forms. All ATT wholesale sold demand will be reported in the FGD section. This will result in no wholesale purchased minutes or wholesale purchased entrance facilities reported on the non-ATT CABS forms (GCI/ACS-LD).

AECA Website Updates- New Reporting Procedures

- ATT CABS
  - Wholesale Demand no longer reported separately and is to be reported in the FGD section.
  - Enter all traffic reported by ATT in the applicable FGC or FGD sections
- GCI/ACS-LD and Other Non-ATT CABS
  - Complete data entry as usual
  - Note - there will be no wholesale purchased minutes or wholesale purchased entrance facilities reported
- Dual website reporting for the October 2026 period
  - The 10/19/26 reporting period submissions will be entered into two reporting sites, as a final test of the new system. (Legacy site and the new site)
  - An email will be issued to all online users with the new website link and login information
  - New site is expected to be open to users on November 6, 2026
  - CABS training for the new site
    - November 29, 2026 at 1:30pm
    - A link will be posted on the aecabilling.com welcome message (message popup after login)
    - A link to the training video will be posted, after the training, to the aecabilling.com welcome message
